

# Kevin Law

Information Security Analyst

<http://kevinlaw.info>

[mail@kevinlaw.info](mailto:mail@kevinlaw.info)

---

## Education

**Champlain College Burlington VT May 2015**

Bachelor of Science in Computer Networking and Information Security

Specialization in Cyber Security, Minor in Digital Forensics

Dean's list - 3.8 GPA | Trustee's Scholar Teacher's Assistant - Intro to Networking

---

## Relevant Coursework

Networking & Security

Computer Theory

Windows Server Admin

Linux Systems Admin

Operating Systems

Digital Forensics Tools

Operating System Forensics

Securing an Enterprise

Penetration Testing

Systems Security

Defensive Security

Offensive Security

Web Development

Web Programming

Relational Databases

Information Assurance

---

## Technical

Administering & Hardening a network

Intrusion Detection/Prevention Systems

Server Backups and Configuration

Deploying Virtual Environments

Linux Servers & Security

Services in Windows, Linux, BSD, & Solaris

WebApp Development

Perl, Python, TCL, C, C++, Java

Flask, SQLAlchemy, ExtJS, AngularJS, JQuery Agile & Scrum Software Development

---

## Experience

**Dell SecureWorks Counter Threat Unit | June 2015 - Present**

Information Security Research Advisor

**Dell SecureWorks Counter Threat Unit | May 2014 - August 2014**

Security Researcher Intern

Developed application to provide coverage metrics for iSensor IPS

Web application using Python Flask and Extjs frameworks

**Senator Patrick Leahy Center for Digital Investigation (LCDI) | April 2013 to May 2015**

Network Administrator

Imaged computers across a network using WDS

Implemented a Backup Solution using RAID arrays and Domain Isolation

Maintained a virtualized server environment using vSphere

---

## Activities & Achievements

**AccessData Certified Examiner (ACE) | Spring 2013**

**CompTIA Security+ Certified | Fall 2013**

**VMware Certified Associate - Data Center Virtualization | Fall 2013**

Competed in the 2013, 2014, & 2015 North Eastern Collegiate Cyber Defense Competition

Won contest to attend Black Hat Security Conference 2014

Attended Defcon 21 & 22

Contributed to the Linux Kernel
